Our Mission Statement

We are a community-initiated and community-nurtured organization dedicated to promoting wellness and providing high quality health care that ensures the confidence and loyalty of our customers.

Our Vision

We will become a regional medical center focused on improving individual and community health and achieving national standards of excellence.

Our Values

-  **INTEGRITY:** We hold ourselves accountable to the highest ethical and performance standards, demonstrating honesty, professionalism and sincerity.
-  **EXCELLENCE:** We are committed to consistently improving healthcare outcomes and delivering safe, high quality services.
-  **COMPASSION:** We recognize every person as a whole human being with different needs that must be met through listening, empathizing and nurturing.
-  **SERVICE:** We are committed to providing patient centered care and exceeding the expectations of those we serve.
-  **STEWARDSHIP:** We are each responsible for wise oversight of all resources entrusted to us.
-  **RESPECT:** We will create a harmonious environment that will honor each person's dignity and reflect their worth.
