To the best of my knowledge and belief all written, telephonic and electronic info I gave is true and complete. I understand that my insurance will not go into effect unless I am actively at work on the effective date. I also understand that coverage for each of my dependents will not go into effect unless the person is not confined in a hospital or institution, or receiving certain medical treatment. The conditions for the requested insurance to be effective are described in the policy and certificate. The approval of this request by the Insurance Company is one of those conditions. I understand and agree that:

- (1) This request will be a part of the policy that provides the insurance.
- (2) I may need to provide more medical info.
- (3) I may need to take medical tests and report the results to the Insurance Company.
- (4) I must report any change in my health that happens before the insurance is effective.
- (5) Requested insurance will not be effective for a person if the person does not meet the underwriting requirements on the date insurance is to be effective.

Authorization. I permit any hospital, clinic, health care practitioner, pharmacy, benefit manager, employer, insurance company, the Medical Information Bureau (MIB) or any other person or organization having info about the health, medical history, physical or mental condition, diagnosis or treatment, employment or income, or motor vehicle driving record, of me to disclose to the Insurance Company or its authorized agent, any such info, for the purpose of underwriting this application for insurance or administering any claim under any insurance which is approved. This authorization is valid for 30 months from the date below. I accept that a copy of this Authorization is as valid as the original.

I understand that I and/or my authorized agent have the right to receive a copy of this authorization upon request.

I understand that the info will be used to assess my request for insurance.

I may revoke this authorization at any time in writing. Any such revocation will not: (1) change any action taken in reliance on the Authorization; and (2) change the Insurance Company's right to use the Authorization for contest of a claim or policy in accordance with applicable law.

I understand that info provided pursuant to this authorization may be disclosed by the recipient and is no longer subject to the protections of the Health Insurance Portability and Accountability Act (HIPAA).
