## **Using the Easy Uploader**

For the best experience, it is recommended to use either the Chrome, Firefox, or Microsoft Edge browser.

This is a **secure, HIPAA-compliant** and convenient method for transferring your medical images and documents.

Navigate to the Easy Uploader using the URL you received from your hospital.

Note: There might be unique instructions provided by your hospital. If so, it will be on the left side of your screen in Blue.

Before uploading, you need to request an Authentication Code by providing either your email address or your phone number.
